### NOLP Licensting

NOLP (NetOp Open License Program) is a program available for users with 51+ license quantities.

NOLP Licensting provides you with one serial number per module to which yo can add licenses in a minimum of 10 at a time. NOLP licenses are puotected by a 12 months NetOp Upgrade Insurance that can be renewed and are available from your NetOp supplier.

Enduser information required.

**NetOp Upgrade Insurance**

A subscription covers 12 months during which you will receive all new versions of those NetOp modules for which an upgrade subscription has been signed. The yearly fee is paid in advance.

Less than 1000 licenses 0% of total value  
1000-4999 licenses 15% of total value  
5000 licenses and above 0% of total value
